

Personal Order Store

The Encompass Personal Order Store is our very own company store. Here you will find a collection of Encompass apparel, baseball caps, bags—you name it! You can access this store by going to Promote-Encompass.com, click **Personal Order Store** and let the shopping begin!

GROUPS | Once on the Personal Order Store landing page, select the Encompass Health group (please note that the EDC group is for EDC Directors only and requires a login). Any new acquisitions that are in the name transition phase should use the Encompass Health group.

PAYMENT OPTION | The only payment option at this time is Personal Credit Card. This supplier does not have the ability to offer Payroll Deduct at this time but we do hope to add this option in the future.

MONTHLY PROMOS | Each month, we'll have a new promotion for the store and we'll include this in the Weekly Blast. See below example:

CUSTOMER SERVICE & FAQ | Please visit the FAQ link from the Personal Order Store landing page for information on shipping, turn around time and accepted credit cards. Customer service contact info is included below should you have questions about an order you placed.
